BOROUGH OF EATONTOWN
Clerks Office
APPLICATION FOR STREET EXCAVATION

(To Be Completed By Applicant)

The Permittee shall review the Code of the Borough of Eatontown Chapter 285 Article II entitled "Street Excavations" , on file at the Borough Clerk's Office or on line at www.eatontownnj.com , under "Government", then "E-Code", prior to applying for a permit.

The following is a brief outline of the procedures required for obtaining a street excavation permit.

1. The application must be completely filled out and submitted to the Clerk with the proper fees on separate checks.
2. The application and inspection fee (1st check) is non-refundable.
3. The restoration guarantee (2nd check) will be held in escrow until the trench repairs are completed to the satisfaction of the Borough Engineer.
4. The permittee (you) must call for a utility markout at least three (3) full days prior to excavation.
 - a. NJ One Call: 1-800-272-1000
5. The roadway shall be repaired in accordance with Article II, Street Excavations, as shown below.
6. Upon completion of the final pavement surface course, the applicant shall request an inspection by the Borough Engineer. Requests shall be made by phone or fax to the Borough Engineer.
7. After the inspection, if restoration has been completed to the satisfaction of the Borough Engineer, the Borough Engineer will notify the Borough Clerk in writing that the restoration performance guarantee may be released.
8. If applicant fails to restore the trench to the satisfaction of the Borough Engineer, the Borough may hold the guarantee until proper restoration is complete.

NOTE:

1. ALL MATERIALS SHALL CONFORM TO THE LATEST NJDOT STANDARDS AND SPECIFICATIONS.
