

Eatontown NJ Alerts FAQ's

General

- **What is Eatontown NJ Alerts powered by Smart911?**
Eatontown NJ Alerts is the Borough of Eatontown's official emergency alert and notification system. This system is used to send alerts to the public during emergencies. **Eatontown NJ Alerts** is a free service that allows you to sign up online to receive customized alerts via text message, email, and voice message. In addition to emergency alerts, you can also choose to receive customizable community notifications. These include notifications about severe weather, safety, health, utility disruptions, major traffic incidents, and more. This service is provided by the Borough of Eatontown at no cost to the public; however, message and data rates may apply.
- **Why should I sign-up for Eatontown NJ Alerts?**
When emergencies happen, be the first to know. The Borough of Eatontown uses **Eatontown NJ Alerts** to send official, real-time alerts to the public with information about potentially life-saving actions they may need to take to keep themselves and their families safe. By signing up for **Eatontown NJ Alerts**, you are taking a large step toward improving your personal safety.
- **How does it work?**
When an emergency occurs that meets the criteria for sending out an alert to the public, the Eatontown Police Department will gather the necessary information and push out an alert to the affected area. Alerts can be sent out city-wide to everyone who has opted-in to the system, or to a specific area or neighborhood for more localized events.
- **How much does it cost?**
This service is provided by the Borough of Eatontown at no cost to the public; however, message and data rates may apply depending on your provider and phone services.
- **Can you guarantee that I will receive notification if I register?**
While **Eatontown NJ Alerts** is an excellent system, we cannot guarantee that you will receive notification in all cases. Disasters and emergencies are chaotic and

unpredictable, and notification is dependent on external providers such as your wireless carrier or email delivery service outside the Borough of Eatontown's control. **Eatontown NJ Alerts** will use several means of communications to try to ensure that should any one communications method, technology, or delivery option be unavailable to reach residents, other methods will be used to improve the likelihood that citizens will see the message.
