## BOROUGH OF EATONTOWN EV CHARGING STATION PERMITTING FLOW CHART

Zoning Approval is required for EV Charging Stations proposed at Commercial Properties

The Zoning Officer will review the proposed EV Charging stations for compliance with Borough Ordinance 06-2022

The following shall be submitted:

- A completed application with details of proposal
- Specs of the EV Charging Station
- Site plan showing proposed location of EV Charging Stations
- The fee of \$50

The Zoning Officer will respond to your application within 10 days of when the complete application, required documentation and fee is received

The Zoning Officer will advise you in writing whether you may proceed with your project

**IF  
APPROVED**

Contact Building Department 732-389-7615 x0 for appropriate Building Permits and inspections

Applicant must wait to proceed with construction until permits have been issued

<https://ecode360.com/39313124>

**IF DENIED**

**RESUBMIT** – revised Zoning Permit Application with requested information to Zoning Officer

**APPEAL DECISION** - file Notice of Appeal within 20 calendar days as per MLUL 40:55D-72(a) to Board Administrator 732-389-7617

**Request Variance** – from either the Planning Board or Zoning Board of Adjustment, contact Board Administrator at 732-389-7617
